

EDU Group Participates in YMCA 57th Joint Scout and Guide Anniversary Ceremony

Showcases Robotics Technology and Community Collaboration

(Hong Kong, October 19, 2025) — EDU Group joined the 57th Joint Scout and Guide Anniversary Ceremony organized by the Hong Kong YMCA, celebrating youth development and community spirit. The event, held in Hong Kong, brought together distinguished guests, including YMCA leadership, police representatives, and scout leaders, to honor contributions to education and social harmony.

EDU Group showcased its advanced robotics technology, engaging attendees with interactive demonstrations that highlighted the role of innovation in inspiring young minds. Participants, including scouts and community members, experienced the technology under the sun, fostering creativity and teamwork despite the warm weather.

CEO Rocky Law attended as a guest and collaborator, expressing pride in witnessing the dedication of young participants and the event's success. The ceremony reinforced EDU Group's commitment to supporting community initiatives through education and technology.
