

## **EDU Group Participates in Hong Kong International AI Art Festival**

### **Supporting Exchange at the Intersection of Art, Technology, and Innovation**

(Hong Kong, December 21, 2025) – EDU Group participated in the Hong Kong International AI Art Festival, a three-day event held from December 19 to 21, 2025, at the Hong Kong Convention and Exhibition Centre.

The festival focused on the integration of artificial intelligence, art, and technology, bringing together participants from different sectors through exhibitions and interactive activities. The event provided opportunities for dialogue and engagement around emerging applications of AI in creative and cultural contexts.

During the festival, EDU Group engaged with partners and visitors, supporting knowledge exchange and cross-disciplinary interaction. The participation reflected the Group's ongoing interest in innovation and collaboration within the broader technology and creative ecosystem.

EDU Group expressed appreciation for the collective efforts and support from colleagues, partners, and friends throughout the event, and looks forward to continued exploration of future opportunities.
