

San Wong Appointed Chief Specialist of UBTECH Ecological Strategies Partners

Leverages Expertise in Tech Strategy and Partnership Building

Hong Kong, October 15, 2025) — EDU Group announces the appointment of Mr. San Wong as Chief Specialist of UBTECH Ecological Strategies Partners. Mr. Wong brings extensive experience in fostering strategic collaborations within the robotics and AI ecosystem, drawing from his background in technology integration and robotic solutions to drive global initiatives.

Through Mr. Wong's leadership, EDU Group will expand partnerships that embed advanced robotics into learning and community programs, aligning with the mission to deliver human-centered tech solutions. His skills in bridging industry and key sectors will enhance connections across the Greater Bay Area, supporting seamless ecosystem development.

This appointment strengthens EDU Group's commitment to innovative robotics applications, fostering sustainable growth in technology and beyond.
